

“Strength...Innovation...Value”

HC International is a full service Investor Relations Firm exclusively for China based, US listed companies. We ensure our clients are properly positioned in the public markets and effectively manage expectations while delivering relevant corporate information to a targeted investor audience. We act as a premier informational resource for institutional investors, brokers, analysts and private investors. Our diverse and bi-lingual team of professionals has over sixty years of collective industry experience while representing over 50 China clients to date.
